## SUMMARY

Full Stack Web Developer experienced in building user-centric, scalable web applications. Skilled in optimizing performance, enhancing user experience, and collaborating in agile teams. Proven ability to deliver high-quality projects in fast-paced environments, with demonstrated experience in agile collaboration and a passion for continuous learning and problem-solving.

## EDUCATION

- **B Tech ( Bachelor of Technology) (CSE)**  
Sree Venkateswara College of Engineering,  
Nellore  
11/2021 - 04/2025 80.2 CGPA
- **Intermediate (Class XI - Class XII)**  
Sri Chaitanya Junior College,  
StoneHousePet, Nellore  
06/2019 - 04/2021 97.5%
- **Secondary School Of Education**  
G.V.K Chinmaya Vidyalaya, Kothur,Nellore  
06/2018-04/2019 84.5%

## PROJECTS

- **AI Trip Planner**  
Developed a full-stack web application utilizing AI algorithms to optimize travel itineraries based on user preferences.  
  
Utilized React, Node.js, and MongoDB technologies to create a seamless user experience.
- **Tasty Corner (Food Delivery Web Application)**  
Developed a web application designed to connect users with nearby restaurants for food delivery, featuring an interactive interface with food cards, authentication and a cashout option.  
  
It includes an admin panel for managing and dispatching orders to local eateries.  
  
URL : <https://tasty-corner.onrender.com/>
- **Emoji Game Application**  
Emoji Game where players must click on unique emoji cards without repeating any selections. The game tracks the score of how many emojis have been clicked and shuffles the emoji list after each click.  
  
The game also maintains a top score across sessions and provides feedback through a win/lose card when the game is over.

## EXPERIENCE

- Front End Web Developer** Oct 2024 - Jan 2025  
  
Developed a user-friendly interface and interactive module named Deployment Automation under the AppAnySite Project, enhancing client experience with deployment details.  
  
Collaborated with a team of three developers to innovate and streamline application processes, significantly improving deployment efficiency.
- Intern at YBI Foundation** Dec 2024 - Jan 2025  
  
Gained experience in data analysis and pattern recognition using Python, contributing to projects aimed at deriving solutions for modern world problems.  
  
Assisted in data collection and processing for analytical projects, enhancing problem-solving capabilities through data-driven insights.
- Intern at Oasis InfoByte** Jan 2024  
  
Implemented foundational knowledge in web application development, focusing on HTML, CSS, JavaScript, and React JS, facilitating increased proficiency in modern web technologies.

## CERTIFICATIONS

- React JS Certification - NxtWave
- NPTEL Certificates - Cloud Computing
- Data Science on Python - YBI Foundation
- Web Development Certification - Oasis InfoByte

## SKILLS

**Programming Languages:** C, C++, Python, Data Structures & Algorithms, Java

**Web Development Tools:** HTML, CSS, JavaScript, SQL, React.js, Node.js, Express.js, MongoDB, Git

**Soft Skills:** Problem-solving, Team Collaboration, Effective Communication, Time Management
